Extending Arm Organizer

An Access Organizer puts frequently referenced documents at your fingertips. The extending swivel arm holds the Organizer above the desk for eye-level viewing and increased desk space.

The unique extending arm adjusts to three positions. When not in use, the Organizer is 9" off the desk, neatly out of the way. The middle position pulls it 8" towards you, and the last position extends a full 18" to put it at desk level for the easiest viewing. Arm also swivels 360° for access from any angle. Includes 10 transparent pockets with assorted color frames to display up to 20 documents, and color-coordinated index tabs.

Access Organizer with Extending Arm NA00P

Molded polypropelene pockets open along the top and spine for fast and easy loading of your documents.

4 Mounting Options

Use the option that best fits your particular application.

Desk Clamp (included)

C-Clamp

Wall Mount

Panel System Bracket

Plus...

SwingFile Letter Trays make active projects even more accessible.

Two side-by-side SwingFiles put active papers within easy reach. Trays swivel 360° and can be removed for easy document retrieval.

When combined with the Organizer, you get fast access and easy viewing of active projects and important reference documents, without taking up any additional desk space.

Access Organizer with Extending Arm and SwingFile Trays NS21P

Arm adjusts to three positions, bringing information to the level you need it.

Plus...

A Telescoping Phone Arm puts your phone within easy reach...then out of the way.

Smooth-gliding telescoping arm extends to 19" for easy access to the phone, then retracts to 13" and swings away when not in use. Slide-proof platform keeps the phone 6" above the desk and adjusts to hold phones up to 7" x 10." Available optional platform extender fits phones up to 10" x 14."

The Organizer keeps phone lists, data entry codes, telemarketing scripts, and other important references right where you need them when answering a call.

Access Organizer with Extending Arm and Telescoping Phone Arm NT14P

Arm extends from 13" to 19" for easy phone access.
