

Axcess™ Binder Carousels

Store binders in half the space
of traditional shelving!

from **npsg**

31-1/2" Binder Carousels

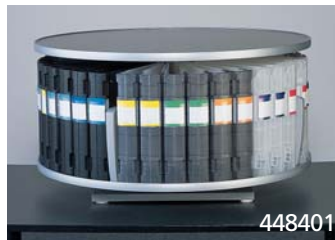

Binder Carousels take up a fraction of the valuable wall space as compared to traditional shelving. They also make it easy to retrieve important information quickly. Each storage level rotates independently from the others. Add an optional top cover for a work surface and casters to any unit to make it mobile.

Features sturdy construction with tubular steel center frame, 5-leg stand, and laminated gray finish. All units are 31 1/2" in diameter.

The desktop unit is great for saving space and easy access.

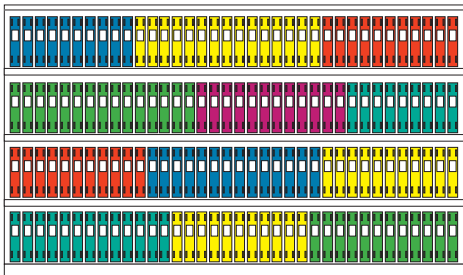

Three-high unit is great for storage and doubles as a work surface with optional top cover.

Four-high unit stores 144 2 1/4" binders and is great for an otherwise wasted corner space.

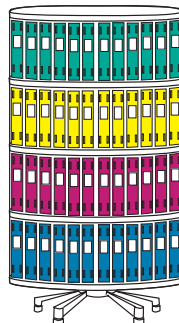

480404 with optional casters and top cover.

Store 144 binders in 6 1/2 feet of floor space with traditional shelving...

...or in just 2 1/2 feet with a Binder Carousel

Compared to ordinary wall shelving, our four-high carousel unit stores 144 binders and revolves for easy access.

(Space savings calculated using 2 1/4" wide BestBuilt binders)

36-1/2" Binder Carousel

For even greater capacity, choose a 36 1/2" diameter Carousel. Store binders, CDs, DVDs or endtab files, all on the same Carousel with optional accessories listed below. All units are 36 1/2" in diameter.
