

Access™ Flip-A-File Organizer

Display your important information. No tacks, no tape, no mess.

from **mpsg**

Flip-A-File can be mounted vertically or horizontally on any wall or steel surface.

Flip-A-File features unique brackets that include powerful magnets to instantly attach your organizer to any flat metal surface. Mounting hardware is included for traditional wall application. The brackets also allow the pockets to lay flat, eliminating protrusion into aisles or walkways.

Powerful magnets allow you to instantly attach your organizer to any flat metal surface. Remove the magnets to mount to walls using screws.

T-card Panel comes complete with 50 color-coded T-cards and dispenser for organizing all of your projects and reminders. Titles are clearly visible with additional hidden area for writing detailed notes or instructions.

Write-on/Wipe-off Panel includes pen holder with dry erase marker. Clear pocket provides storage for photos, receipts, or notes, and doubles as a copy holder, no need for another desk accessory to clutter your desktop.

Flip-A-File includes moveable index tabs with color-tipped labels to make it even easier to access the information you need.
