10-Pocket Wall Organizer

A Wall Organizer gets rid of unsightly papers tacked and taped to your walls. Put schedules, directories, and reference information at your fingertips.

Each unit includes 10 transparent pockets with assorted frame colors which display 20 sheets, 10 coordinating index tabs, and mounting hardware (screws and anchors for wall, or Velcro for fabric-covered partitions). Wall plate available in gray or black.

Pockets turn smoothly and are flexible for easy removal. For additional capacity, mount multiple units side-by-side.

The Wall Organizer is perfect for medical offices, shipping stations, manufacturing facilities, fax stations and warehouse facilities.

Desktop Organizers are great for telemarketing, school administration, human resources and more.

Desktop Organizers

When desktop positioning is preferred and greater sheet capacity is needed, a Desktop Organizer is the answer.

Available with 10, 20, 30, 40, 50 or 60 pockets to display up to 120 documents. Each includes 8 1/2" x 11" transparent pockets with assorted frame colors and coordinating index tabs. Pockets turn smoothly and remove easily.

The base is designed with plenty of room on each side for post-its, paper clips, staples and more. Center panels hold pens, sticky notes, business cards and supplies.

The base and supports are made of durable injection molded polystyrene in black or gray.

New pockets are stronger and easier to load.

Organizer pockets feature one-piece steel wire construction for strength and rigidity, but are still flexible enough to pop pages in and out. The new pocket design opens on the top and side to make loading your documents effortless. Just pull down the edge, insert your documents and tuck the corner back in.
