

Access™ ReachFile

Extending arm puts reference material in perfect view.

from 

ReachFile Arm Organizer provides on demand access to your information.

The ReachFile Arm Organizer takes up zero desk space and attaches to any desktop up to 2" thick with included hand-tightened desk clamp. Arm and pockets pivot a full 360° which allows you to position Organizer at the optimum viewing angle.

The articulating arm positions the pockets 14½" off your desk, up and out of the way when not in use. Overall height of 27". With an easy pull on the chrome handle, the pockets extend forward up to 13", for easy desktop use.

Includes one T-card/Whiteboard Panel. T-card Panel comes complete with 50 color-coded T-cards and dispenser for organizing all of your projects and reminders. Titles are clearly visible with additional hidden area for writing detailed notes or instructions. Write-on/Wipe-off Panel includes pen holder with dry erase marker. Clear pocket provides storage for photos, receipts, or notes, and doubles as a copy holder, no need for another desk accessory to clutter your desktop.

Desk clamp attaches ReachFile to any surface up to 2" thick while taking up zero desk space.

Chrome handle enables display panels to be positioned at the optimum viewing position and height.

Dry Erase Panel/Copyholder for quick notes or reminders (includes pen and eraser). Also features pockets for use as a copyholder.

Pockets are open at the top and side for fast and easy loading. Corner tuck holds documents securely.
