# Never run out of literature slots again.

See the difference Tier Drop Literature Sorters make.

Add to or reconfigure your tier drop system at any time depending on your storage needs.

Recessed shelf design gives you easy access to your contents.

Tier Drop organizers have the strength of steel — without the price!

Tier Drop organizes the interiors of shelving units, bookcases, and flipper door cabinets.

Finally a literature and forms organizer that can grow with your company's needs. Tier Drop's modular design lets you keep adding on one tier at a time! Individual tiers stack together to form the size unit you need, up to 24 tiers high — that's a total of 72 slots!

Fast no-tool assembly — each tier goes together in seconds.

Get the strength of steel, without the high cost! Durable injection-molded polystyrene construction and the unique "ripple" design of the sidewalls keep the units lightweight and strong. Quick, no-tool assembly means organization is only minutes away.

Organize your literature, forms, and mail easily in roomy 9" wide slots. Choose from 3-wide models with 2 1/4" high slots (below), 3-wide models with 5" high slots, or 2-wide models with 2 1/4" high slots. Tier Drop has a LIFETIME GUARANTEE!

Build your system up to 24 tiers high. With Tier Drop you will never run out of slots or storage capacity.

### Top off your Tier Drop.

A Tier Drop Topper fits perfectly on original 3-wide Tier Drop units and provides you with vertical storage of files, books, and binders. The modular design enables you to position, change or add dividers to meet your particular filing requirements. Dividers may be adjusted every 1¼" for efficient upright storage. Hanging File rails snap directly onto dividers to provide up to 7" of hanging file capacity. Each Topper measures 28½" w x 9¾" h x 12" d. Tier Drop units sold separately.

Please specify color combination when ordering: all black, all gray, gray w/black dividers, or gray with blue dividers. See color samples at left.

# Design your own Tier Drop Storage System!

Don't choose prefabricated units that are too big for your needs. Tier Drop lets you create the organizer that's right for you and has many advantages over ordinary organizing products:

## The strength of steel...

Without the price. The durable thick-walled injection molded polystyrene costs about 25% less than steel.

## All models ship UPS...

Lower freight cost for you, so you can pass the savings along to your customers.

## All models ship KD...

Deliveries arrive intact. Zero damages, no returns.

## Fast no-tool assembly...

The largest unit—72 slots—assembles in less than 10 minutes. One person, no tools.

## Add more slots at anytime...

Add on 3 to 12 slot sections at any time.

## Recessed shelf design...

The concave shelf front creates easier access to forms and literature.

## Lifetime guarantee...

No wood to warp, steel to bend or corrugated cardboard to sag.
